DAY 3: Teotihuacan Pyramids and Guadalupe Shrine

This morning you will be collected from your hotel to visit the impressive archaeological site of Teotihuacan, located 50km northeast of Mexico City. On the way, stop at the “Plaza de las Tres Culturas”, where three cultures converge: Aztec, Spanish, and contemporary Mexican. Continue to the Shrine de Guadalupe, Latin America’s most revered religious shrine. It is here where the Virgin of Guadalupe is said to have appeared before an Indian named Juan Diego in 1531, and an image of her was miraculously emblazoned on his cloak. There is time to explore the New Basilica de Guadalupe (the Old Basilica, built in 1700, is slowly sinking) and to see Juan Diego’s cloak. Drive for another hour to Teotihuacan, one of the most impressive cities of the ancient world, held sacred by the Aztecs. Explore its temples, palaces and pyramids, including the Quetzalpapalotl Palace, the Pyramid of the Moon, and the immense Pyramid of the Sun, ranked among the biggest in the world. On completion of your tour, return to Mexico City and you will be taken to your hotel. This is a small group tour. DAY 4: Merida

Merida was founded in 1542, built on the site of the ancient Maya city T'ho, meaning “city of five hills” in reference to its pyramids. After the arrival of the Spanish, the ancient city’s five main pyramids were destroyed and the carved stones were used widely in the construction of Merida’s cathedral and other colonial buildings. Merida was built as a walled city and several of the old Spanish city gates remain. The city boasts the second-largest historic centre in Mexico, Mexico City’s being larger and it gets its nickname, La Ciudad Blanca (The White City), from the predominance of white limestone that was used as a building material. It is the capital and largest city of the Mexican state of Yucatán as well as the largest city of the Yucatán Peninsula.

DAY 5: Uxmal and Kabah & the Puuc route

This morning you will be collected from your hotel to visit the archaeological site of Uxmal, a World Heritage Site, and located 80 km south of Merida. Its architecture is characterized by low horizontal palaces set around courtyards, decorated with a profusion of symbolic motifs and sculptures depicting the long-nosed rain god Chaac. We will explore the magnificent buildings, including the House of the Magician - which dominates the site, the Nunnery, and the House of Turtles. We continue to Kabah, with its amazing Palace of the Masks, covered in nearly 300 masks of Chaac. We continue driving along the Puuc Route, a road that wind past the Mayan ruins of Labna, Xlapak and Sayil. These sites give us a great insight into the Puuc (Mayan name for ‘hills’) civilization. Our first stop is Labna, once a city inhabited by some 3000 Mayas. To support such numbers in these arid hills, water was collected in ‘chultunes’ (water cisterns), some of the original 60 chultunes still visible. We then drive to Xlapak. This site of 14 structures and 3 pyramids is less restored, so we can see what the sites looked like when they were first discovered. Our last stop is Sayil, home to the beautiful El Palacio, a huge three-tiered building which is a splendid example of the rich Puuc style of intricate stone mosaics. Enjoy lunch before returning to Merida. On completion of your tour, you will be taken to your hotel. Please note this is a private tour.

Our aim is to empower local communities, helping them to develop their own infrastructure for the future. Since 2006, we have been working with Kiva (a well-known Non-Governmental Organisation), providing hundreds of loans to local businesses all over South America.

4) In our pre tour information we provide a range of tips and advice on how to minimise your impact on both local environments and communities.

5) Chimu Adventures' offices also take a number of sustainability measures including carbon offsets for company vehicles and most staff travel. Chimu Adventure's internal processes are also structured to create a paperless office and to reduce waste. There are also internal programmes to help staff minimise their carbon footprint such as our staff bike purchase assistance plan which encourages office staff to commute to work via bicycle.
