

COSTA RICA - CORCOVADO NATIONAL PARK EXTENSION

INTRODUCTION

Not to be confused with Corcovado Mountain in Brazil, Corcovado National Park is one of Costa Rica's most biodiverse national parks. On this adventure you will travel southeast from the coastal village of Manuel Antonio to the town of Sierpe, gateway to Corcovado National Park. There you will enjoy a full day of exploring the park and the nearby coastal attractions. During this four day Chimu Adventure tour you can expect to see everything from scarlet macaws to sea turtles and tapirs to tuna.

On this all-encompassing personalised itinerary, Chimu will provide travel logistics for your travel party for the duration of your journey, plus expert guides for all the major sightseeing as per itinerary. Each night you will stay in superior accommodation, handpicked by our experienced team for their creature comforts, convenient locations, and impeccable service.

ITINERARY

DAY 1: Manuel Antonio to Sierpe & Corcovado National Park

You will travel from Manuel Antonio to the town of Sierpe, the gateway to Corcovado National Park, before continuing to your accommodation. As you make your journey, keep your eyes peeled for scarlet macaws, tapirs, jaguars and squirrel monkeys who call the national park their home. Take some time on arrival to settle into your surroundings.

DAY 2: Corcovado National Park

Today you will enjoy an excursion to Corcovado National Park. The reserve is considered one of the most biodiverse in the world and protects a variety of tropical ecosystems. Established in 1975, the reserve covers an area of 424 square kilometres of the Osa Peninsula. During your excursion you will visit San Pedrillo Ranger Station where you will enjoy hiking trails to see waterfalls, local wildlife and spot dolphins on a boat journey to and from the station.

DAY 3: Cano Island

Cano Island is a tropical getaway located fifty three kilometres off the Costa Rican coastline. Known for having the country's highest concentration of coral-building organisms in the Pacific, it is the ideal destination for diving and snorkelling. You will spend the day swimming and observing the local sea turtles, sting rays, moray eels and fish such as barracudas, tuna, snapper and puffer fish.

DAY 4: Playa Rincon to Drake Bay & fly to San Jose

Departing your accommodation, you will take a boat ride through the mangroves to Drake Bay. There you will board a flight back to San Jose and be transferred to your accommodation for the night.

DAY 5: Depart San Jose

You will be transported back to San Jose to the airport to fly to your next destination.

SUSTAINABILITY

Being environmentally accountable is a crucial part of our organisation. Chimu is currently striving towards using less paper, taking several initiatives to do so, and tracking our progress along the way. Our goal: A paperless organisation. For this reason, all information given to you will be sent electronically. We encourage those who choose to travel with us to support our aspirations and actions and ask that you reconsider printing out documentation. To view these documents, you can download them to your iPad or portable computer before and during your trip.

Chimu is passionate and dedicated to sustainability measures and understands the crucial part sustainability plays within the tourism industry.

We use local guides and office staff to both maximise local employment opportunities and minimise carbon footprint. Local guides also ensure you benefit from the intimate

COSTA RICA - CORCOVADO NATIONAL PARK EXTENSION

knowledge, passion, and culture of the country you're visiting. Our guides are all highly qualified (most with university degrees) or equipped with many years of experience and are paid above the standard wage. Whether it be our knowledgeable local guides, locally produced meals, or the transport on tour, we do not use imported goods when local products are available. We aim to minimise our impact on the environment and give as much back as possible to the communities we work in.

While visiting the many national parks, heritage sites, museums, and landmarks, our travellers are encouraged to explore whilst remaining culturally aware and sensitive. We further encourage you to buy appropriate souvenirs and discourage the buying of anything wrongfully made or taken from the environment i.e., shells and endangered species products. Information on how you can be environmentally conscious, and travel responsibly will be made available in our Travellers Guides and provided during your travels by guides and staff.
