DAY 4: Exploring Northeast Greenland - Days 4 to 8

During your tour of Greenland’s remote northeast coast, you’ll enjoy Zodiac cruises and shore visits to several locations. We’ll also keep an eye out for grazing muskoxen, as 40 percent of the world’s population lives in Northeast Greenland National Park. At the entrance of the sound is East Greenland’s most northerly community, Ittoqqortoormiit, where you may spend time interacting with the Inuit people and learning about their way of life. You may also have a 3 chance to see the Northern Lights here if the skies are clear. Magnificent vistas also await at Kong Oscar Fjord, with possible landings at Ella Ø, renowned for its rugged cliffs and ice-choked waters, and flower-rich Botanikerbugt, on Ymer Ø.

DAY 9: Across Denmark Strait - Days 9 & 10

As your Arctic adventure winds down, take in a presentation by our onboard experts, share your photos, sip an icy cocktail in the bar or watch a movie—there are many activities during your time at sea. Your Expedition Team will also be on hand to answer any questions and point out wildlife.

DAY 11: Disembarkation

You’ll disembark in Reykjavik, Iceland’s capital, at the end of your journey. If you have booked post-expedition accommodation, we provide a transfer to a central downtown location.
