

## ARGENTINA - USHUAIA EXTENSION

### INTRODUCTION

**You've made it to the end of the world! Marvel at the spectacular scenery and wild weather.**

Ushuaia is the capital of Tierra del Fuego, gateway to Antarctica and the world's most southerly city, set in spectacular surroundings: to the North, the Martial Mountains, part of the great Andes range; to the South, the Beagle Channel. This three-day tour is a great introduction to the area for those finishing a Patagonia trip or starting an Antarctic adventure!

**On this all-encompassing personalised itinerary, Chimu will provide travel logistics for your travel party for the duration of your journey, plus expert guides for all the major sightseeing as per itinerary. Each night you will stay in superior accommodation, handpicked by our experienced team for their creature comforts, convenient locations, and impeccable service.**

## ARGENTINA - USHUAIA EXTENSION

### DAY 1: Ushuaia

Ushuaia is the most southerly city in the world with a dramatic setting overlooking the Beagle Channel, surrounded by mountains. It is a major port for Antarctic bound vessels and an interesting city to explore. The Museo Marítimo y del Presidio de Ushuaia, (Maritime & the Prison of Ushuaia Museum), located in the former prison of Ushuaia in buildings dating back to 1906, is well worth a visit. Tierra del Fuego National Park, a short bus ride from Ushuaia was the first shoreline National Park to be established in Argentina. It is a rugged, mountainous park with great views of Lapataia Bay and dramatic scenery with waterfalls, mountains, glaciers and lakes including parts of Fagnano and Roca Lakes. There are many hiking trails within the park including the Coastal Path (Senda Costera) that connects Ensenada Bay to Lapataia Bay on Lago Roca and the park is home to many species of birds and animals.

### DAY 2: Half Day Tierra del Fuego Park Tour

This morning you will be collected from your hotel for an excursion to the only National Park on the island. The park is located 12km to the west of the city, near the international borderline with Chile. Home to a wide range of flora and fauna, glaciers, waterfalls, mountains and stunning scenery. Visit Ensenada Bay, Roca Lake and Lapataia Bay. Take some short walks near the lake, beaver dams and Lapataia Bay and reach the end of the National Park where you will reach the end of the Panamerican Highway. On completion of your tour, you will be taken to your hotel. Please note this is a small group tour and only operates in the morning. Included in your tour cost is the entrance fee to the National Park.

### DAY 3: Transfer to the airport for onward destination

You will be collected from your hotel at the appropriate time and transferred to the airport for your onward flight.

## SUSTAINABILITY

Chimu Adventures undertakes a number of sustainability measures within its operations including:

- 1) Only using local guides and office staff to both maximise local employment opportunities and minimise carbon footprints. Local guides also ensure you benefit from the intimate knowledge, passion and culture of the country you're visiting.
- 2) Where possible, using locally owned and operated boutique hotels to maximise the return to the local community.
- 3) Chimu's "Pass it on" programme has provided funding to hundreds of local community projects in Latin America. Our aim is to empower local communities, helping them to develop their own infrastructure for the future. Since 2006, we have been working with Kiva (a well-known Non-Governmental Organisation), providing hundreds of loans to local businesses all over South America.
- 4) In our pre tour information we provide a range of tips and advice on how to minimise your impact on both local environments and communities.

5) Chimu Adventures' offices also take a number of sustainability measures including carbon offsets for company vehicles and most staff travel. Chimu Adventure's internal processes are also structures to create a paperless office and to reduce waste. There are also internal programmes to help staff minimise their carbon footprint such as our staff bike purchase assistance plan which encourages office staff to commute to work via bicycle. Currently almost half of our office based staff commute to work via bicycle.
