

GREENLAND - EAST GREENLAND EXPLORER | GREG MORTIMER

INTRODUCTION

On this exciting 14 day adventure, explore Scoresbysund, the world's largest fjord system, where dramatic cliffs soar skyward, where jagged mountain ranges sweep across the horizon and where countless glaciers forge their way to the sea. On this cruise, we'll show you some of the best that Greenland and Iceland have to offer, from the vibrant energy of Reykjavik to the serene, remote beauty of the Arctic through the Denmark Strait, with ample daylight for maximizing our time.

As we explore remote landing sites, zodiac excursions reveal steep-sided fjords filled with dazzling icebergs calved from Greenland's enormous ice cap. Keep your eyes peeled for blows and tail flukes as whales surface for air or prepare for another deep dive. On guided hikes, marvel at the brilliantly colourful sedimentary rocks created by nature's artistic hand, and stride across vibrant arctic tundra keeping a close watch for musk oxen and perhaps catch a glimpse of the elusive Arctic fox.

Departing from and returning to Reykjavik, this incredible expedition will immerse you in the beauty of East Greenland.

GREENLAND - EAST GREENLAND EXPLORER | GREG MORTIMER

DAY 1: Reykjavik

Having made your way to Reykjavik, you will be met by a representative of Aurora Expeditions and transferred to our group hotel. Enjoy free time and dine at your leisure (dinner not included).

DAY 2: Embarkation

This morning, please ensure your cabin luggage is fitted with cabin tags clearly labelled with your name and cabin number. Your luggage will be collected from your hotel and transferred directly to the port for clearance and delivered to your cabin ahead of your arrival on board. Please keep any valuables or personal items with you throughout the day.

DAY 3: At Sea

As we cross the Denmark Strait to Greenland, we begin our series of informative and entertaining onboard lectures from our team of experts. Learn about sea ice, history of European exploration and wildlife of Greenland, the world's largest island.

DAY 4: East Greenland

As we approach East Greenland we may encounter pack ice and perhaps catch our first glimpse of seals and a variety of seabirds including northern fulmar and migratory Brünnich's guillemot. This stretch of coastline is ripe for exploration, with its many secrets locked in place by drift ice for up to eight months each year.

DAY 13: Denmark Strait

We sail back Iceland through the Denmark Strait. Keep a lookout for whale blows and the many seabirds that trail our ship in the ever-present Arctic winds. Enjoy the time to reflect on your recent adventures, share and exchange photos, and breathe in the fresh ocean air. As we near Iceland, we re-enter an inhabited world as we encounter fishing vessels working the coastal waters.

DAY 14: Disembark Reykjavik

After breakfast, bid farewell to the expedition team, crew and newfound friends as you disembark in Reykjavik, where the voyage ends. A transfer is included to your hotel or to Keflavik airport.
