DAY 2: Fly to Ushuaia and Embarkation

After an early breakfast at the hotel, the group will transfer to the airport and board our private charter flight to Ushuaia, Argentina. Upon arrival, you will be transferred from the airport to a central downtown location to have some time on your own to explore this quaint port town before making your way to the pier. After a late afternoon embarkation, you will sail along the historic Beagle Channel, which transects the Tierra del Fuego archipelago in the extreme south of South America. Expect an air of anticipation as you depart—the next land you see will be the Antarctic!

DAY 3: Crossing the Drake - Day 3 & 4

Prepare yourself for potentially rough water, but hope for a smooth sailing as the Drake is unpredictable and always changing. You'll spend these first days getting to know your shipmates, while we'll provide safety briefings and insights into what excitement lies ahead.

DAY 5: South Shetlands & Antarctica - Day 5 to 9

When the Antarctic Convergence is left in our wake, you will truly begin your Antarctic adventure. It is perhaps the first sight of land itself that is embraced as the true beginning of any Antarctic expedition. You can begin to appreciate why this region has long captivated the attention of explorers and travelers alike. Every time we visit Antarctica we witness something new or unexpected, meaning your expedition will be unlike any other—creating a unique, personal experience. We will take Zodiac excursions from the ship to explore bays, channels and landing sites each day. With wildlife always at the forefront of our minds you will visit penguin rookeries, scout for humpback and Minke whales and search for a number of the southern seal species, including the cunning leopard seal. The majesty of the Antarctic Peninsula’s mountains will enchant as you scramble up snowy pathways to vantage points offering you 360° views of your surroundings. One of these in particular, in Danco Island, affords us the opportunity to visit a penguin colony high up on a ridge. Here, you’ll have the choice between hiking to the island’s summit or spending time sitting quietly on a pebbled beach, enjoying the antics of curious penguins. If you’re feeling extra adventurous, participating in the Polar Plunge swim is about as crazy as it gets! Amidst the serene silence of Antarctica, noisy interludes now become indelible memories, such as penguins squabbling over prized pebbles, or the boom and crack of a calving glacier in Neko Harbour. Every day will be different, having been carefully crafted by your Expedition Team so as to entertain and educate you about this wonderful part of the world.
