

ANTARCTICA - CHRISTMAS IN ANTARCTICA | SEAVENTURE

INTRODUCTION

Celebrate the magic of the holiday season with an expedition cruise to the White Continent of Antarctica. The Antarctic Peninsula has stunning panoramic vistas and abundant wildlife encounters. With an experienced expedition team and state-of-the-art vessel that is designed for polar cruising you will be able to make the most of your time exploring this remote part of the world. Enjoy twice daily land excursions and/or zodiac cruising with the aim to spend as much time off the ship as possible. Onboard your well appointed ship you will find excellent facilities including a hot tub, sauna and gym and you'll be able to enjoy fine dining during meal services. When you are not off the ship you will be able to enjoy a range of educational lectures on a range of topics, engage in Citizen Science programs onboard and head up to the bridge to watch the captain and crew at work.

You will spend a night pre cruise, at the 'end of the world' in Ushuaia at the 5* Arakur Hotel. Situated in the exclusive Cerro AlarkÃ©n Nature Reserve, this is much more than just a five-star hotel. Spend some time relaxing or exploring nature before you embark on your Antarctic Cruise.

ITINERARY

DAY 1: Arrival & Explore Ushuaia

After a friendly welcome at the airport and a transfer to the luxurious Arakur Resort & Spa, take some time to unwind or explore the southernmost city in the world, Ushuaia. Our evening briefing at the Arakur is your opportunity to ask questions and meet some of your fellow explorers.

DAY 2: Embarkation in Ushuaia

Spend your morning relaxing at the hotel, visiting a museum, or exploring the shops in Ushuaia, before our mid-afternoon escort to the ship. Our Expedition Team and ship staff will welcome you on board and get you settled in, followed by a safety and orientation briefing and our Captain's welcome dinner. We're on our way to Antarctica!

DAY 3: Drake Passage - Day 3 & 4

Join our Polar Experts as they share their vast knowledge of Antarctica, from its enchanting wildlife to its bold history. Participate in our pioneering Citizen Science program, or sit back and take in this fabled journey while catching glimpses of rarely-seen wildlife. Keep your binoculars handy to identify the many seabirds that escort our ship as we cross the Antarctic Convergence into Antarctica's waters and noticeably cooler temperatures, your cue to get ready for that first iceberg sighting, an unforgettable moment on every journey.

DAY 5: Antarctic Sound and Weddell Sea - Day 5 & 6

We maneuver through the mysterious channels and wildlife-rich waters of the Antarctic Sound and Weddell Sea, the perfect place to ensure an unforgettable holiday adventure. The Antarctic Sound is well known for its huge tabular icebergs and the Weddell Sea offers a unique geography unlike anywhere else on earth. Here we'll take in the abundant wildlife such as Adélie penguins and seals as we keep on the lookout for hunting Orca.

DAY 7: Antarctic Peninsula - Day 7 & 8

Time to put our explorer's spirit to full use. Antarctica offers astounding images and wildlife encounters at every turn, as the last truly unspoiled place on earth, populated only by its original wild inhabitants. Prepare yourself to encounter numerous species of penguins, seals, and whales, who will be there to share the holidays with us along the rugged coastlines and in the sea. We'll also take full advantage of every opportunity to visit some of the several active scientific bases and historic landing sites on the peninsula. This voyage promises to be a holiday memory you'll cherish forever. Our team always has something fun planned for Christmas Day.

DAY 9: South Shetlands

Over time, the volcanic activity of the South Shetland Islands has created a geology unlike any other. Here, you can expect a spectacular display of mountains, glaciers, and wildlife including Chinstrap and Gentoo penguins; and it's not uncommon to share the water's edge with Elephant and Fur seals. Whales are often spotted as well. So, we'll settle into our Zodiacs and spend most of our day exploring. And kayakers, it's time to get your first taste of gliding just inches off the pristine Antarctic water. Whether on land or sea, in zodiac or kayak, be prepared for a fully immersive introduction to this incomparable part of the world.

DAY 10: Drake Passage - Day 10 & 11

We leave this magical place and make our way north, once again crossing the legendary Drake Passage. We have one last hurrah as we celebrate the conclusion of our expedition with a special slideshow and a final meal together.
